Re: Love Field Amendment Proceeding OST-98-4363 - 13

Dear Mr. Hunnicutt:

As an elected official of the City of Dallas, I am pleased that the Department of Transportation has begun proceedings to resolve the ongoing local disputes regarding the Wright Amendment.

Be assured, the people I represent have communicated to me overwhelmingly that they are tired of the strife it has created between Dallas and Fort Worth and the high local air fares that are a direct result of this amendment.

The current legal battle over flight restrictions at Love Field will never resolve anything. Only a ruling from the Federal government will put this matter to rest once and for all to the very great benefit and relief of the flying public.

Yours truly,

Donna Blumer
